September 2014

Dear Friend:

The New York Fire Sprinkler Contractors Association, Inc. supports the mission of the New York Firefighters Burn Center Foundation. This year, more than ever, we need your help.

The New York Firefighters Burn Center Foundation is a non-profit organization of firefighters founded in 1976. It is dedicated to the advancement of burn care, research, prevention, education, and the proper treatment of burns. The Foundation's goal is to make quality burn care available to all who are seriously burned, regardless of age, race, creed or economic status. It is fully staffed by volunteer current and retired FDNY and its primary recipient is the world renowned William Randolph Hearst Burn Center at New York-Presbyterian Hospital/Weill Cornell Medical Center.

Last year nearly 4,000 burn patients were treated at the William Randolph Hearst Burn Center at New York-Presbyterian Hospital/Weill Cornell Medical Center. Each year over 2,000 children in New York State receive medical attention for a burn related injury.

Our fund raising efforts began in the year 2000. Since then, we have raised over \$589,000. Our industry's donations have helped to fund pediatric burn care, specialized equipment, training for the New York Presbyterian Hospital burn team, the skin bank and sending children to burn camp. With your help, we have made a tremendous impact in improving the lives and care of burn victims.

Your donation is vital to help continue the services the Foundation provides. As you may have done in the past, we are asking that you again make a contribution. If you have not made a contribution in the past, please consider making one today. 100% of your donation will be forwarded to the Foundation. In addition, please pass this letter on to those with whom you do business.

Please use the enclosed envelope to make your contribution. Contributions may be made payable to the New York Fire Sprinkler Contractors Association, Inc. (NYFSCA) and forwarded to:  
NYFSCA, Inc. ▪ PO Box 219 ▪ Water Mill, NY 11976

Please send your donation no later than November 7, 2014.

Should you have any questions, please call NYFSCA, Inc. Executive Director, Melissa Barbour, at (800) 699-9107. You can also reach Melissa by email at [mbarbour@nyfsca.org](mailto:mbarbour@nyfsca.org).

Thank you for making a difference.
